ZOOM LINK If you wish to join us live via Zoom at 6pm, please click on https://us02web.zoom.us/j/89371659839?pwd=eDlMTDJNWGtwQk0xM1BDUEltVGJlUT09 This link will work for the next four weeks of the module. We start the programme with a welcome whakatau from Kevin Shedlock (Te Kapotai/ Victoria University of Wellington) and the rest of the MAK team at 6pm. Nau mai haere mai! To download Zoom: go to https://zoom.us/download and click on download and follow the instructions.

WCD&RT Facebook Page: If they haven't already, get your parent or caregiver to join our Facebook page at https://www.facebook.com/groups/1211381805713656 to keep up with the latest news regarding MAK.

LEARNING INTENTION:	KEY COMPETENCIES:
* Registration – see registration form on page 3. Please get your parents to sign and return to us before the next class. * Basic set-up of computer for project – folders, guidelines, project expectations and outcomes. * Ahau whakapapa programme – set up and begin populating.	* Building confidence in learning new programmes. * Self-management. * Participation and contribution.

ACTIVITIES
1. **Digital whakatau** – welcome by Kevin Shedlock and introduction to other MAK team members.

2. **Getting to know each other** – two truths, one lie.
See how well those on the course with you know you! [for those working remotely, try this with your siblings or parents!]

3. **Set up of folders** – Dedicate a set of folders to this project and create a main folder called 'MAK', and then five sub-folders labelled 'Whakapapa', 'Marae', 'Awa/Whenua, 'Rongoa' and 'Pūrākau'.
To make a new folder, right click in the main folder and click on 'New' in the dropdown list, then 'Folder'. Highlight the title and write in MAK (or whatever you're doing).
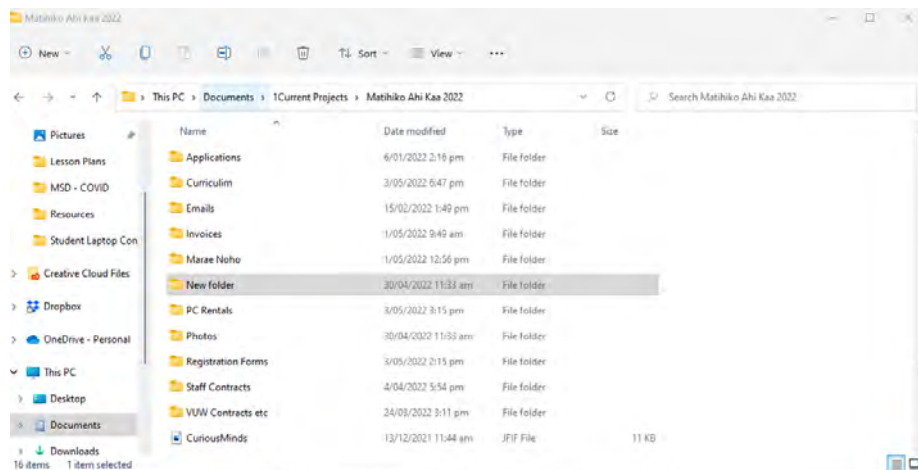

To create sub-folders, double-click on the MAK folder, then right click and click on 'New', and so on.
Within each sub-folder theme, you can create folders for 'Lesson Plans', 'Photos', 'Videos', 'Documents', and whatever else you need. Try to keep your folders to a minimum so you can easily find what you're looking for!

4. **Introduction to 'Ahau' whakapapa programme** – download the guide here [Whakapapa Template] Familiarise yourself with the programme and begin populating the whakapapa. Talk to your parents or grandparents to fill the gaps.
If you haven't already done so, you might want to start with the 'Whakapapa Tree' on page 6.

HOMEWORK	NEXT WEEK
Keep working on your Ahau programme: work on adding names to your whakapapa but fill in all details for one of your relatives and write down as much detail as possible. Ask your parents or grandparents to help you 😊	Ahau programme Researching tupuna histories – Google and Microsoft Word Adobe Scan app

For extra support, one of our team will be available via Zoom on **Sundays from 6pm to 9pm**.
Email Lily on dreamweaversresearch@gmail.com for Zoom details. You will need to provide an email address – check with your parents/caregivers if you can use your own email address or theirs.

MATIHIKO AHI KAA – RANGATAHI DIGITECH PROGRAMME

Project Overview:

The digital divide continues to disadvantage rural rangatahi between the ages of 6yrs – 18yrs who struggle to connect with mātauranga Māori using a digital environment. Matihiko Ahi Kaa provides a digital exploration space that is safe and matches mātauranga and technology. The overall aim of the programme is to create a kaupapa Māori system for producing, storing and presenting mātauranga Māori in meaningful ways for current and future generations to enjoy. This project seeks to connect Te Kapotai and other rangatahi in Tai Tokerau, nationally and internationally to their hapū knowledge, traditions and language using digital techniques. The project is a codesigned collaboration between the Waikare Community Development & Research Trust (WCD&RT) and Victoria University of Wellington.

The project creates a digi-hub (Matihiko Ahi Kaa) mentoring and exploration service for 20-50 rangatahi involving 5 x 4-weekly online training sessions and four monthly wānanga (at Waikare Marae) to explore themes of whakapapa, marae, awa/whenua and rongoā. A fifth wānanga will be held in October as *an E-Magination Holiday Camp* with the theme of pūrākau and may draw up to 100 rangatahi from the wider Tai Tokerau region. At the final wānanga in November, rangatahi will present their mātauranga journey to whānau and community in pūrākau form.
